

## **COMMUNITY/UNIVERSITY ENGAGEMENT (CUE)**

**Chairperson - Dr. Walter Hill**

### *Mission*

- To foster a healthy relationship between Tuskegee University and the local business community

### *Activities*

- Promote linkages between Tuskegee University and the Chamber including member businesses
- Initiate collaborative efforts involving Tuskegee University and the Chamber
- Facilitate Chamber memberships on campus involving students, faculty and the university
- Collaborate with other Chamber committees regarding Chamber events and activities
- Initiate projects that jointly involve the Chamber and Tuskegee University

Dr. Walter Hill is Dean of the College of Agriculture, Environment and Nutrition Services (CAENS) at Tuskegee University. He is committed to excellence regarding curriculum and student development. He brings this same spirit to his community engagement work in Tuskegee and Macon County.
