

TOURISM & BUSINESS DEVELOPMENT

Noah Hopkins

Mission

- To lead efforts concerning tourism promotion and also initiate programs and services for the advancement of small businesses and start-ups
 - To serve as the in-house leader in the development of Tuskegee – Macon County as a major tourism destination
 - To be a resource concerning tourism and business development information

Activities:

- Coordinate Chamber tourism and business development activities
- Support 'shop local' activities
- Create a Customer Service Program
- Develop and recommend cross-pollination strategies between Community Tourism Network publications and Chamber tourism materials

Noah Hopkins is the leading tourism advocate in Tuskegee and Macon County. He is also a seasoned business owner.
